DIRECTOR OF CENTRAL INTELLIGENCE  
**Security Committee**

SECOM-D-369

8 SEP 1978

MEMORANDUM FOR: Colonel Russell T. Newman, USAF  
Air Force Member, DCI Security Committee

FROM: Robert W. Gambino  
Chairman

SUBJECT: Control of Dissemination of Foreign  
Intelligence

REFERENCE: Your letter to me dated 16 August 1978,  
same subject

This is to advise for the record that the Air Force request (see reference) concerning the status of ARO, Inc., the operating contractor for Arnold Engineering Development Center, Arnold Air Force Station, Tennessee, has been approved. In this regard, ARO, Inc., is considered to be a government-owned, contractor-operated laboratory and thus not a contractor for purposes of DCI policy on release of foreign intelligence to contractors (footnote 1 to attachment to DCID 1/7). This confirms my determination to that effect made at the 30 August 1978 meeting of the DCI Security Committee.
